Anniversary Celebration

This year we celebrate 50 years of the course at the Links Road location.

To mark the occasion, we are planning a day of celebration starting with some golf followed by a short function where we will be inviting past members and committee members to join us.

We are currently putting together some memorabilia to mark the occasion and we will have more information next month in regard to it.

Watch this space.

Greens Committee Report August 2024

We have been blessed with some reasonable winter weather lately but there has been little growth. The greens continue to maintain their quality and they have kept their speed. Michael and his team are doing their best to maintain the course as well as fix the irrigation system.

You may have noticed the work done on the area behind the 13th green that services the 14th 15th and 16th holes. New micro tubing has been put in place which will allow a better flow to all sprinklers in that area. There are still some spots that will be worked on during August.

Be aware that at times Michael may be using poison on the course and we all should be mindful that we wash our hands as a precaution. The toilet on the 6th has now been repaired but there is some small parts to be repaired.

Many of our members help out to keep the course up to speed. Everyone is welcome to help but it is always recommended that Michael Emery is contacted before any work is commenced. He may have plans for the course that volunteer work may impact. That being said on the 22nd July we had Kevin, Ian, Laurie, Rob, Greg, Steve and Mick attacked some unwanted plants on the 16th hole. It has opened the hole and made it visually more appealing. Next month more work will continue behind the ladies tee on the 16th.

The dates for the working bees until the end of the year are:

6th August

10th September

8th October, greens coring - weather permitting

12th November

10th December, BBQ breakup

Everyone is welcome to any of these days and remember that any amount of time will help.

IMPORTANT INFORMATION!

Dear Club/Member,

*A reminder to all members to check the notice board outside the Golf shop for updates on local rules before you go on the course to play.

a) Players need to check in no later than 15 mins before their hit off time. Failure to do so may result in the player losing their tee time

b) Please have the courtesy to ring the pro shop and let them know if you are not going to play.

It is unacceptable to just let a friend know. The pro shop staff need to know, and it is the players responsibility to let them know.

Regards
Match Committee
